‘All About the Cloud’ to Feature Red Hat, Intuit, Microsoft, & NetSuite Executives

SIIA & OpSource to Host Largest Forum for Cloud Computing, May 23rd-26th in San Francisco

Santa Clara, CA and Washington, DC – April 13, 2011– The [Software and Information Industry Association \(SIIA\)](http://www.siaa.net), the principal trade association for the software and digital content industries, in partnership with [OpSource, Inc.](http://www.opsource.com), the leader in enterprise cloud and managed hosting, invite industry executives, analysts, and media to attend [All About the Cloud](http://www.allaboutthecloud.com)—the software industry’s most comprehensive annual ISV cloud computing conference. Held May 23-26 at the Palace Hotel in San Francisco, All About the Cloud will bring together hundreds of industry leaders to evaluate trends and revolutionary business opportunities in the rapidly growing cloud computing marketplace.

All About the Cloud will feature presentations from leading executives re-shaping global business and the OnDemand industry. Keynote and other featured speakers include:

- **Jim Whitehurst**, President & CEO, [Red Hat](http://www.redhat.com)
- **Ginny T. Lee**, CIO, Information Technology, [Intuit](http://www.intuit.com)
- **Treb Ryan**, CEO, [OpSource](http://www.opsource.com)
- **Matt Thompson**, General Manager, Development & Platform Evangelism, [Microsoft](http://www.microsoft.com)
- **Aneel Bhusri**, Co-Founder & Co-CEO, [Workday](http://www.workday.com)
- **Chris Holland**, Vice President, Software Rights Management BU, [SafeNet, Inc.](http://www.safenet-inc.com)
- **Bill McNee**, Founder & CEO, [Saugatuck Technology](http://www.saugatucktechnology.com)
- **Dave Mitchell**, Director, Strategy and Emerging Business, ISV & Developer Relations, [IBM](http://www.ibm.com)
- **Zach Nelson**, CEO, [NetSuite](http://www.netsuite.com)
- **Sanjay Poonen**, President, Solutions Go-to-Market, [SAP](http://www.sap.com)
- **James Staten**, Vice President & Principal Analyst, [Forrester Research](http://www.forrester.com)

[Visit the All About the Cloud website to review the full lineup of speakers, the event schedule, and other resources.](http://www.allaboutthecloud.com)

With cloud computing driving change across the entire technology industry, All About the Cloud will bring software executives together to assess the state of the market and identify new opportunities in the cloud. The conference will focus on a wide range of cloud-related topics, including security, mobility, social media, integration, platforms and infrastructure, monetization and the role of cloud computing in government.
