

FINANCIAL INFORMATION ASSOCIATE: PREPARING FOR CERTIFICATION — CRAM SESSION

9 AM TO NOON EDT (14:00 TO 17:00 U.K.) ON 23 AND 24 JULY 2013, ONLINE

Financial Information Associate: Preparing for Certification — Cram Session is an online session delivered over two days designed as a final review for those preparing to take the FISD's FIA exam. The class is **not** designed for someone new to the markets who needs a fundamental background course. The class focuses on those things that past students have found to be troublesome in the exam, including acronyms, the relationships among entities in the FISD's *Syllabus* Appendix (which requires knowledge of "systemically important" trading venues and vendors), and we will also provide added focus on market issues. We encourage students to submit all specific topics, issues and concerns in advance so we can prepare detailed responses.

The first half-day will be devoted to a presentation on the topics listed above. The second day will be given over to questions and answers to be driven by students.

Target Audience

If you...

...are preparing to sit for the FIA exam in the near future...

...this session is designed for you.

Deliverables:

- A .pdf of the slides in the presentation.
- Tee Williams Associates Glossary of *Syllabus* terms;
- a .pdf document that presents highlights of the companies in the *Syllabus*' Appendix; and
- flash cards for you to study *Syllabus* terms, exchanges and companies.

The Cost

We believe that many people taking the class may be paying from their personal funds so we have priced it accordingly.

1. If you have not used Tee Williams Associates in the past the cost of the session is \$250 per person.
2. If you have taken our *Financial Information Associate: Preparing For Certification* since January 1, 2011 (the date is arbitrary, but we have proof of attendance since then); or if you are a student or are unemployed, then the cost is \$125.
3. If you have taken our course and did not pass the test then the class is free. We clearly failed to provide you with an adequate foundation. Please accept our apology.
4. If you are a company and would like to have an unlimited number of your employees take the class then the cost if you have no prior association with Tee Williams Associates is \$2000. If we have offered a course for your company the cost is \$1000 for unlimited participants.
