

Webinar: Impact of the Federal Stimulus on Education

February 20, 2009

An SIIA Webinar

Panelists:

- Deborah Rigsby, Director of Federal Legislation, National School Boards Association (NSBA)
- Mary Ann Wolf, Executive Director, State Educational Technology Directors Association (SETDA)
- Cynthia Woodside, Federal Relations Liaison, New York State Education Department

Reactor:

Charles Blaschke, President, Education Turnkey Inc.

Moderated by:

Mark Schneiderman, Director, Education Policy, SIIA

The Economic Recovery Act (HR.1) includes some \$100 billion for education. This webcast will provide SIIA members with an understanding of what is in this funding bill, how the funds will be distributed and used, and what the expected impacts will be for educational technologies. Our expert panel has been involved in shaping the legislation, and will provide insights into its likely implementation.
