

Earlier this year, FISD introduced [FISD RegBeat](#), a monthly bulletin that tracks regulatory and public policy issues that are likely to affect the financial information industry. FISD RegBeat is offered as a free service for FISD members.

FISD would like for you to take a few minutes to complete a short survey regarding RegBeat. We are seeking to ascertain your satisfaction with the publication and get feedback on the issue areas that will be most important to you in the coming year.

Please click [here](#) to take the survey.
