

FISD members recognize the importance of financial information industry professionals to the financial services industry. FISD is seeking to make it easier for companies to identify them. On this page, FISD provides links to job boards, employment services, job listings, and other job search tools that are offered by FISD members.

### Member Job Postings

FISD members seeking to fill financial information positions within their own company may post links to those listings on their own web site. If you are an FISD member and would like to post a link to your web site, please contact [Amanda Sawney](#) +1 (202)789-4466.
