

The FISD Women's Group offers women in the financial information industry the opportunity to network, discuss challenges and share advice.

Upcoming Events:

New York: January 22nd, 4:00 - 7:00 pm [REGISTER](#)

Hosted by Thomson Reuters and
Sponsored by 3di this event will include a speaker, a speed
networking session followed by a reception.

The FISD Women's Group was formed to provide members with a unique opportunity to network in a relaxed atmosphere. The informal structure of the event allows for maximum interaction.
