

## **Abu Dhabi Global Forum and Education 2020 Exhibition Webinar**

July 23, 2013

The UAE education market is estimated to be worth over \$7 billion and the UAE allocates 24% of its federal budget to education. Learn how to reach this market by attending this webinar on participating in “Education 2020” in Abu Dhabi in November. Find out how you can showcase your products, get feedback from educators about your products and services, and attend The Global Forum for Innovation in Education Conference, held in concurrence with the exhibition.

### **The speakers present the following information:**

- who will be attending the exhibition/conference
- why you should participate
- what your next steps are if you are interested

### **Speakers:**

- George Debakey, Debakey International
- Lynn Nolan, Global Education Services
